

LECTURE AT MARINE AIR RESERVE
TRAINING COMMAND

18 June 1957

MEMORANDUM FOR: Commander, Marine Air Reserve Training

ATTENTION : Captain Trent

1. Following our telephone conversation of a few weeks ago, I am sending you the exact dates when I will be available for the presentations at Cherry Point and at El Toro.

2. I will be free here for the presentation at Cherry Point as of 1700 hours, 29 July, and available to you all day Tuesday, 30 July, or Wednesday, 31 July.

3. For the presentation at El Toro, I am available as of 1700 hours Wednesday, 21 August, through 1200 hours Monday, 26 August. If there is any choice, I would rather return from California at the latest possible moment so that I might spend a little time with relatives in the area.

4. If possible, I would prefer one of the larger planes with a pressurized cabin.

5. I would appreciate any further guidance you can give me on the background of the audience and on the length and scope of the lecture. Are you interested in a presentation dealing exclusively with CIA, or are you also interested in coverage of such other matters as the coordination of intelligence at the national level and the use of such intelligence by the National Security Council?

6. I am looking forward to hearing from you soon.
